

Access from Any Device!

MedlinePlus provides a consistent user experience from a desktop, tablet, or phone. All users, regardless of how they access MedlinePlus, will find the same trusted health information.

NIH MedlinePlus the Magazine

NIH MedlinePlus the Magazine is the trusted consumer guide to the vast array of authoritative online health and medical information on MedlinePlus. The magazine highlights the National Institutes of Health's latest medical research and healthcare information. Also available is *NIH MedlinePlus Salud*, a bilingual guide to health information for Spanish speakers. Print subscriptions to both magazines are free of charge.

About MedlinePlus

MedlinePlus is the National Institutes of Health's (NIH) website for patients and their families and friends. Produced by the National Library of Medicine (NLM), the world's largest medical library, it brings you information about diseases, conditions, and wellness issues in language you can understand. MedlinePlus offers reliable, up-to-date health information, anytime, anywhere, for free. There is no advertising on this site, nor does MedlinePlus endorse any company or product.

Need Help?

Librarians can help find health information for patients and professionals. To identify a local library, visit <http://nnlm.gov/members/>. The National Network of Libraries of Medicine (NN/LM), an outreach program of NLM, provides assistance and training nationwide. Contact the NN/LM at (800) 338-7657 or visit <http://nnlm.gov/>.

Funded under contract HHS-N-276-2011-00009-C with UCLA and awarded by the DHHS, NIH, National Library of Medicine. Last revised: May 2015
